KNOW ALL MEN BY THESE PRESENTS THAT:

WHEREAS, JERRY C. SCARBOROUGH and MARILYN L. SCARBOROUGH, his wife, are now the owners of all of the lots as shown on the plat of LILY LAKE GOLF AND RV RESORT, PHASE III-A, Polk County, Florida, according to map or plat thereof recorded in Plat Book 101, Page 25 and 40 of the public records of Polk County, Florida; and

WHEREAS, Jerry C. Scarborough and Marilyn M. Scarborough, his wife, have developed the property as shown on the aforesaid plat.

NOW THEREFORE, for and in consideration of the premises and for other good and valuable consideration, Jerry C. Scarborough and Marilyn L. Scarborough, his wife, hereinafter known as the "Developer", does hereby for itself, and its successors and assigns, restrict the use, as hereinafter provided, of all the lots shown on and which are a part of the aforesaid real property and the Developer does hereby place upon said lots certain covenants and restrictions as follows:

1. Said lots shall be used exclusively as a "Park Model" site or "Manufactured Home" site. All lots shall be reserved and restricted for "Park Model" and "Manufactured Homes". Lot owners, their guests, successors and assigns are prohibited from erecting or placing on any lot any permanent or semi-permanent structure of which prohibited structures include, without limitation, the following:

In addition, any attached structure, screen rooms, carport, metal awnings or any type of permanent extended overhangs must be of the same color and basic exterior covering as the unit located on the lot. Furthermore, all Park Models and Manufactured

Homes and any attached structures, screen rooms, carports, metal awnings or any type of permanent extended overhangs must have a roof line which is continuous to the original park model or manufactured home unit.

2. All units must be skirted at the time of installation. The type and design of said skirting must be approved by the Association.

3. Tables, benches, and mobile grills may be erected, however, no other personal property, except as provided in paragraph one (1) above, shall be permitted to remain where it can be seen by other lot owners or visitors to the area, except when the site is actually in use.

4. Free standing utility sheds may be placed on the aforesaid lots, however, in no event shall they exceed eighty square feet (80') in size or nine feet (9') in height from top of floor to top of shed. All such free standing utility sheds must be approved by the association prior to being placed on the lot and must be of the same color and basic exterior covering as the Park Model or Manufactured Home.

5. No building structure, either permanent or temporary, including but not limited to, barbecue grills, utility sheds, and picnic tables, shall be located on or placed within any setback area, as now or hereafter defined by the County of Polk, except for air conditioning units and LP gas tanks.

6. Any addition to any existing concrete pad must be approved by the Association as to size, design and construction prior to the commencement of any construction thereof.

7. All lots and Park Models or Manufactured Homes located thereon shall be kept in a neat and attractive manner and state of repair. All trees, lawns, shrubs, plants and flowers shall be kept in a neat, attractive, cultivated and orderly manner.

8. Only one permissible park model or manufactured home may be located on or maintained on each lot except as provided for in the Rules and Regulations of the Association.

9. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot, except that a total of two dogs, cats and other household pets may be kept, provided they are not kept, bred or maintained for any commercial purpose, and provided they are kept under leash, if necessary, to avoid their constituting a nuisance to the neighborhood.

10. No sign of any kind shall be displayed to the public view on any lot, except one sign bearing the lot owner's name, said sign not to exceed one square foot. Notwithstanding the

above, the Developer shall have the right to install uniform signs with the lot number and unit number on each lot for identification purposes. No sign shall be attached to any tree at any location in LILY LAKE GOLF & RV RESORT, PHASE III-A.

11. No fences, walls, or hedges shall be permitted on any lot. Nothing in this paragraph shall be construed so as to disallow the building of a perimeter fence around the overall subdivision by the developer or other areas as determined by the developer.

12. No clotheslines, mailboxes, radio and t.v. antennas or satellite dishes shall be permitted on any lot, except for common mailbox areas.

13. No garbage or trash receptacles, other than those approved by the Association, shall be allowed on any lot.

14. An easement of five feet (5') is reserved along each side line of each lot and ten feet (15') along the front lines and ten feet (10') along back lines of each lot for the installation and maintenance of utility services, and said easement may be used by the Developer or its successors and assigns for such installation and maintenance, as the case may be.

15. Setbacks are ten feet (10') along back line, five feet (5') on sides and fifteen feet (15') from front.

16. No nuisance shall be allowed upon any of the aforesaid property nor any use or practice which is source of annoyance to lot owners, guests, lessees or other users of the aforesaid property, or which interferes with the peaceful possession or proper use of the property. All parts of the aforesaid property, including each lot and any recreational vehicle or manufactured home thereon, shall be kept in a clean and sanitary condition, and no rubbish, refuse or garbage shall be allowed to accumulate nor any fire hazard allowed to exist.

17. No commercial activity of any kind whatsoever shall be conducted on or from any lot in LILY LAKE GOLF & RV RESORT, PHASE III-A.

18. Neither the lot owners nor the Association nor their use of any property in LILY LAKE GOLF & RV RESORT, PHASE III-A shall interfere with the completion of the contemplated improvements or sale of said lots by Developer. The Developer may make such use of the unsold lots and the common elements as may facilitate such completion and sale

25. The Developer shall have the right to include in any contract or deed, hereafter made, any additional covenants and restrictions which are not inconsistent with and which do not lower the standards of the covenants and restrictions set forth herein.

26. Developer shall, at such time when ninety (90%) percent of the lots in all phases of LILY LAKE GOLF & RV RESORT have been sold by the Developer, or on or before January 31, 2001, whichever date shall be sooner, convey the following facilities to the Association, to wit: streets, fences, parks, greenbelts, landscaping, signs and all other common properties which are located on the aforesaid real property.

27. The Association shall levy and collect a reasonable monthly assessment from the lot owners sufficient to cover each lot owner's proportionate share of the actual cost of operating and maintaining all common use property and facilities, providing water, electricity and garbage disposal service, sewage service, general maintenance and carrying out the duties of the Association. The Association shall also include in the said assessment a sum adequate to pay all real property taxes on the common use properties. The collection of the aforesaid sums shall be provided for in an adequate manner to assure the performance of all necessary maintenance. The assessments for expenses shall be levied in accordance with the By-Laws of the Association. The association shall have a lien on each lot for unpaid assessments, as set forth above, which are due and payable. This lien shall include interest at the highest rate provided for in the Florida Statutes at the time the lien is imposed, said interest accruing from the date said assessments are due. Upon request, a written statement shall be provided by the Association giving the assessment fees currently due on any lot in LILY LAKE GOLF & RV RESORT, PHASE III-A, and this statement may be relied upon by any purchaser, creditor or other interested party. The annual assessment provided for herein shall commence at such time as the lot is conveyed and a "Park Model" or "Manufactured Home" is set upon said lot.

28. These covenant and restrictions shall run with the above-described real property and be binding on all lot owners, their heirs, executors, administrators, successors and assigns, including all guests and renters, and this Declaration of Covenants and Restrictions may be amended or modified at any time by an instrument, properly acknowledged, executed by at least

ninety (90%) percent of the property owners in all existing and future phases of LILY LAKE GOLF & RV RESORT, and recorded in the public records of Polk County, Florida.

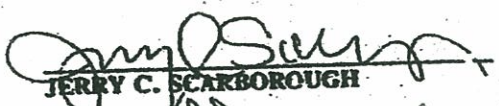

29 Enforcement of these restrictions (including such action or actions as may be necessary to collect the annual assessments or charges) shall be by action against any person or persons violating or attempting to violate the same, or failing to perform the same, either to restrain violation, enforce compliance or performance or to recover damages. The party enforcing the covenants and restrictions, if said party is successful and prevails in such action, shall be entitled to recover, in addition to costs and disbursements allowed by law, such sums as the court may have judged to be reasonable for the services of an attorney (including attorneys' fees for the taking and handling of appeals from final judgment).

30. Invalidation of any of these covenants by judgment or court order in no way shall affect any of the provisions, which shall remain in full force and effect.

The aforesaid Covenants and Restrictions were properly executed by Jerry C. Scarborough and Marilyn L. Scarborough, his wife, and properly witnessed and notarized prior to their recording in the public records of Polk County, Florida.
